

International Scientific Conference “Physics-Engineering-Technology”

22-24 April 2026

DoubleTree by Hilton Plovdiv Center, Bulgaria

INVITATION

The Faculty of Physics and Technology at Plovdiv University “Paisii Hilendarski” in collaboration with "Evrika" Foundation are delighted to invite you to participate in the **International Scientific Conference “Physics-Engineering-Technology” (ISCPET’26)**, which will be held in the period of **22-24 April 2026** at **DoubleTree by Hilton Plovdiv Center, city of Plovdiv, Bulgaria**.

The program includes:

- Sessions dedicated to research in the fields of physics, engineering and educational technologies, covering the following topics:
 - A) Physics, Mathematics and Material Science
 - B) Engineering, Communications and Electronics
 - C) Educational Technologies
 - D) Bioengineering and Biosensors
- Both oral and poster presentations.
- Competition for “Best Young Scientist Poster Awards”.

Important deadlines:

- | | |
|---|------------|
| • Registration deadline: | 15.03.2026 |
| • Full manuscripts submission deadline: | 31.05.2026 |
